*We believe that all children can learn and we will establish high standards of learning that we expect all students to achieve. It is our job to create an environment in our classrooms that engages students in academic work that results in a high level of achievement. We are confident that with our support and help students can master challenging curricula, and we expect them to do so. We are prepared to work collaboratively with colleagues, students and parents to achieve this shared educational purpose. (Dufor, 1997a).*

**Principal's Corner**

Dear Lincoln Elementary Families,  
 I would like to ask for your help. We have a school wide goal of 95% attendance for all students throughout the year. In January our attendance fell to 93%. We also had 605 unexcused tardies for the month of January. When students do not attend school or arrive late to school, it impacts their learning. Remember, our gates open at 8:00am and all students can receive free breakfast every day. Please make sure your child is at school every day on time.

Sincerely,  
 Logan Williams, Ed.D.  
 Principal
