We believe that all children can learn and we will establish high standards of learning that we expect all students to achieve. It is our job to create an environment in our classrooms that engages students in academic work that results in a high level of achievement. We are confident that with our support and help students can master challenging curricula, and we expect them to do so. We are prepared to work collaboratively with colleagues, students and parents to achieve this shared educational purpose. (Dufor, 1997a).

We are located at:
 6910 N. Gettysburg Place
 Stockton, CA 95207

 Jan. 21 Stockton Heat
 Jan. 23-27 6th grade to science camp

From Your Principal

Dear Lincoln Elementary Families,

Welcome to 2017! We are in full swing in the new year and our students are working hard inside and outside the classroom to be great citizens at Lincoln Elementary. All students are beginning MAP testing, and K-3 are also completing DIBELS assessments. I am very proud of our students for their efforts! Report cards will be sent home January 17th. Thank you for supporting your child's education by reading and practicing math facts at home!

Your child may have mentioned to you that we have a new member of the Lincoln Elementary family. Thanks to our Student Council, we were able to introduce our new lynx mascot, Linc, to students at an assembly last week. Linc is short for Lincoln, for whom our school is named. Linc will visit students at various events throughout the year and we are happy to have him.

This Monday, January 16th, is a holiday in honor of Martin Luther King, Jr.'s birthday so there will be no school. School will resume on Tuesday.

Once again, I would like to thank all of you for your continued support of our school and our students. We would not be the great school we are without our hard working teachers and staff, parent and community volunteers, our generous PTA, and your support at home.

Happy New Year!

Logan Williams

KINDNESS WEEK

During the week of January 23rd through the 27th our school will be participating in the National Kindness Challenge. The Great Kindness Challenge is a proactive and positive bullying prevention initiative that improves school climate and increases student engagement. The Kindness Challenge is one week devoted to performing as many acts of kindness as possible at school, home and in the community. Each student will receive a checklist of kind acts. Student's take the challenge to prove that bullying is weak and **Kindness is Strength**. We ask parent's to read over the list with your child/ren and encourage them to perform as many kind acts as possible. We also encourage parent's to talk about making acts of kindness a lifestyle. All grade levels will be doing additional activities in their classrooms during this week to encourage **Kindness**.

STOCKTON HEAT HOCKEY NIGHT - Saturday January 21st is our Lincoln Elementary sponsored hockey night. Tickets are \$15 or \$20 each. If you purchase the \$20 ticket, you also get a Stockton Heat hat. Come out and enjoy the night with the family. Order the tickets, visit with friends, and support our school. Return the order forms to Lincoln Elementary office or your child's teacher. Money is due with your order form. Thanks for the support!

SECOND CHANCE SPIRIT WEAR - Spirit wear will be available again to order for the spring. Order forms will go out very soon in January and will have a 2 week window to order. Please look for the order forms very shortly to order spirit wear that you might have missed in the Fall.

BOOK FAIR - Thank you all who came out to support our Book Fair. We did a great job at raising money for our library. All money earned goes back to the library to order new books. Thank you to all the parents who came out and helped work it! Your help was very much appreciated!
