We believe that all children can learn and we will establish high standards of learning that we expect all students to achieve. It is our job to create an environment in our classrooms that engages students in academic work that results in a high level of achievement. We are confident that with our support and help students can master challenging curricula, and we expect them to do so. From Your Principal

Dear Lincoln Elementary Families,

It is with great excitement that we begin the 2016-2017 school year. The Lincoln Elementary staff has been working enthusiastically to ensure your children receive a highly rigorous and engaging academic program. Our modernization projects are almost complete and the campus looks great! We have two new classroom buildings, which are configured to provide more playground space for students to play, and other spaces have been updated. Additionally, we are in the process of installing a new digital marquee in front of the school. Look for it to arrive in the next few weeks. I would like to thank PTA for their generous donation to help with the purchase of the marquee.

Thank you to everyone who attended Back To School Night. We served over 800 hotdogs at the BBQ hosted by PTA - thank you! It was a great turnout and wonderful to see everyone reconnect after the summer break.

Please remember that attendance is very important to the success of your students in school. Make sure your student is at school on time every day. If your child is sick please call our attendance hotline at 209-953-8621.

Just a little reminder about our parking lot - please be patient as you drive through our lot. It is very crowded. There is no parking in the Kiss and Go lane. If you need to come into the school, please park only in a marked parking space or on the street. There should be no double parking. This is for the safety of all our children. Thank you for your help!

We are going to have a ROARing great year at Lincoln Elementary!

Fondly,

Logan Williams, Ed.D.
 Principal

Parent Survey

Your Opinion Counts!

Lincoln Unified School District invites you to complete an online parent survey. The purpose of this survey is to gather your feedback, promote parent involvement in your child's learning and find out more about how we can best support you. Our goal is to develop a strong partnership between parents and the school to help all children be successful. The survey should take ten minutes to complete. Survey results will provide us with answers about parent-school partnerships and family training. You can complete the survey by going to:

<http://2bABQGX>. Please complete the survey and submit it by Monday, October 31, 2017. If you are a parent/guardian needing assistance reading and interpreting this survey in a language other than English or Spanish, please seek assistance by calling 953-8735 or emailing dbronson@lUSD.net. If you have any questions regarding this survey, please contact Dolores Bronson, Director of Community Engagement, 953-8735, dbronson@lUSD.net. After - School Questions

Asking "How was school today?" might not get you far. Instead, ask questions like these for a better picture of your child's day: "What's the coolest thing that happened at school? What wasn't so cool?" "Pretend you're the teacher. How would you describe the day?" "What made you laugh today?" "What was the most creative thing you did in school?" "How were you kind or helpful today? Was anyone kind or helpful to you?"

 Counselor
