 Absences must be cleared within 48
 hours.
 February 28, 2019

We believe that all children can learn and we will establish high standards of learning that we expect all students to achieve. It is our job to create an environment in our classrooms that engages students in academic work that results in a high level of achievement. We are confident that with our support and help students can master challenging curricula, and we expect them to do so. We are prepared to work collaboratively with colleagues, students and parents to achieve this shared educational purpose. (Dufor, 1997a).

 29 SBAC testing Rewards Recess

From Your Principal

PTA - We are in need of a new PTA Board for the 2019-2020 school year. Please consider being a part of this great team. If we do not have a board, then we will not be able to use any money that has been raised for our school and students will no longer be able to go on field trips. It is very important that we have a board so we can continue the great efforts of providing students with the activities and experiences to make learning fun and more hands on. Here are the positions that we need to fill:
President / Vice President / Treasurer / Secretary / Auditor / Membership / Spirit Wear / Dinner Night Outs / Movie Nights

After School Program - If you are interested in signing up your child for the After School Program (ASES), open enrollment is happening from March 4-22nd. Forms will be in the office and you will need to have them filled out and turned in within that window of time. Enrollment is not guaranteed when you fill out the form.

Parent Institute Newsletter- Click on this link for some helpful parent info. This link is also available on our school website.

Becky Sprinkle
 Principal

State Testing

State testing is coming for 3-6 grades
 The testing window for CAST Science 5th grade is April 8-12 and the SBAC ELA and Math testing window is April 23 - May 17.
 Please understand that during testing we are not able to call a student out of a class or to call into a class to give messages.

RAISE A "STICK-TO-IT" KID

If your child gets overly frustrated when she/he falls short at something, teach her/him to persevere!
 To build a can-do attitude in your child: **Help him/her set goals** that are reachable. Whether the goals revolve around grades or scoring goals, encourage him/her to start small.
Celebrate his/her effort. If they didn't get an A on the science test. Applaud for how hard he/she studied anyway!
Set a good example. He or she are watching, so don't let

Priority Open Enrollment For Preschool, Trans. Kindergarten - 8th grade for new students for the 2019-2020 school year is March 4-22, 2019
