We believe that all children can learn and we will establish high standards of learning that we expect all students to achieve. It is our job to create an environment in our classrooms that engages students in academic work that results in a high level of achievement. We are confident that with our support and help students can master challenging curricula, and we expect them to do so. We are prepared to work collaboratively with colleagues, students and parents to achieve this shared educational purpose. (Dufor, 1997a).

From Your Principal

Dear Lincoln Families,

The school year has gotten off to a great start. Your child has been learning and progressing in their skills. Please continue to be involved in their learning, helping them with their math and reading. Being involved in your child's homework and schoolwork will put them on the right path to success. Lincoln Elementary has many student and family activities each month. I urge you to have your child participate in school functions such as: wearing red on Fridays to show school spirit, coming to Family Movie Nights, participating in Dinner Night Outs, LE's annual Fall Festival, and participating in student council spirit days.

Along with helping your child with their academics and school functions, you have a chance to be a part of School Site Council. I am in need of three parents who would be willing to meet for a 30-45 minutes meeting once a month. The School Site Council helps make school decisions on programs and how money is spent during the school year. If you are interested, please fill out a nomination form and turn it in to the office this week. The meetings are the first Wednesday of each month from 3:15-4:00. I am excited to start the year off with a group of parents who want to help lead and guide the decisions of Lincoln Elementary.

Thank you for all you do as parents!

Sincerely,

Mrs. Becky Sprinkle
 Principal

Parent Conferences

September 18 - September 29
 Early Release for 1st through 6th grades.
 No change in the kindergarten schedule

Counseling Corner

CONNECTING WITH YOUR CHILD - Connecting with your child does not have to be an elaborate plan or expensive outing. It can be simple, uncomplicated and cost nothing. Here are some ways to connect with your child.

Morning - Start the morning off right by being organized the night before. Be sure your child has everything ready and packed for school. No one benefits if the day is started with rushing and harsh words. Instead, try to make time to eat breakfast together and use this time to talk about the upcoming day.

During the day - Include a note in your child's lunchbox or school bag. Remind your child of something you will do together that day or include a short note that you are thinking about your child.

After school - "What did you like best about your day?" Of course, you want to hear about the challenges of the day too, but don't forget to end with the positive. Communicate trust that your child can handle things, and support that you will always be there to help. Let your child know how proud you are of any (even small) accomplishments.

Evening - Take time to relax together. Read a book, play a game, or enjoy a favorite family show together. Your family may sleep better and feel more connected when you slow down and unwind together.

Weekends - They are a perfect time to share family time. Take a walk, go to a park, visit the library, play outside or make something together. Life is hectic, take time to enjoy it.

PTA NEWS

First, I'd like to thank everyone that participated in our Believe fundraiser. PTA will receive about \$4,000 that will be used to pay for upcoming field trips and activities.

Second, our membership numbers are still low, we need your help reaching our goal of 125 members. Remember, anybody can join PTA, neighbors, family and even the students. Please consider joining, it's only \$10 and you'll receive one of our new lunch bags. Envelopes can be found in the office.

Last, please join us this Friday September 29th in our first Movie Night of the year. We'll be showing The Beauty and the Beast and will have snacks for sale. The Movie will be raffled out at the end of the night. Don't miss this fun family event!!!!

Thank you,
 Sheila Maupin
 PTA President
